

# OIL FIELD FOR TRADING AND SERVICE

# Introduction

OFFTAS is a professional Establishment of industrial and trading services and manpower supply. With the booming economy all over the Gulf Region it was a must for us to decide participating in serving Oil & Gas, Petrochemical and Heavy Industry sector in the country and the Gulf using the skills of our highly qualified management staff as well as the long experience and involvement in industrial markets.

OFFTAS was founded in 2003 as a Saudi owned Est. to provide a highly competitive level of customer services. OFFTAS as a supplier and services establishment can offer the customer in Oil & Gas Industries, Petrochemical and related Industries a variety of Industrial Equipments, especially in the field of Electrical, Instrumentation, Fluid Measurements, Electromechanical and Wireless technology.

Offtas has successfully served the needs of the Oil and Gas Industry in the Kingdom of Saudi Arabia over the past ten years. With its established network affiliations in the industry, and proven track record of supplying the highest standards of manpower needs. Offtas team at is supported by the industry's most senior consultants, generating the highest value added service team exceeding customer expectations. Our presence on the ground and proven track record puts Offtas in a strategic position to respond immediately and effectively to our clients business needs. Offtas is confident in its ability to supply highly specialized engineering teams to cover the industrial requirements across a wide range of areas.

Registered Name	: OIL FIELDS FOR TRADING AND SERVICES
Main Activities	: Manpower supply and supply of Technical services, Materials and equipment to Oil, Gas, Petrochemical, Water Industry, Power Generation and Heavy Industries.
Main Office	: Al Khobar ,Eastern Province ,Kingdom Of Saudi Arabia
Telephone	: TEL :00966 3 8811751 , FAX :00966 3 8986426, MOB :00966 50 5848454
Email	: offtas@offtas.com, ibraheem@offtas.com
P.O.Box No.	: 74787
Zip Code	: Khobar 31952
Established on	: Year 2003
Commercial License [KSA]	: 2050067190
Chamber Of Commerce Registration	: 134895

# Mission

Simply our mission is to support strongly, professionally and technically our customers before, during and after the supply of material, equipment, manpower and services. This can be achieved through:

Our technical and engineering staffs are always available whenever requested by the end users or field engineers to discuss and try to solve technical on site problems.

Our specialists and the manufacturer's representatives are available on request during material and services supply.

company experience as a man power supplier in the region.

# Activities

Offtas is specialized in the supply of services, materials, equipment, and spares to different sectors such as:

- » Oil and Gas Industries.
- » Petrochemical Industries.
- » Power Generation
- » Steel Industries.
- » Water Desalination.
- » Cement Industries.
- » Material handling services.
- » Telecommunication & IT services

In order to fulfill such a wide range of activities it was very important to employ highly qualified technical and administrative personnel who can serve professionally and communicate with different end users working in a hazardous environment. On the other hand ensure high performance especially after sales services.

OFFTAS is 100% Saudi Owned Est. and its strength rests in the ability to provide:

- » Complete LSTK Instrumentation Maintenance and Operation.
- » Upgrade of Instrumentation.
- » Solar System Maintenance and Operation.
- » Pre-commissioning of Field Instruments.
- » Calibration and Installation.
- » Configuration of Flow Computers Units.
- » Upgrade the Daniel Flow-meter Unit.
- » Installation and Erection for the Solar Unit in the Field.
- » Tubing / Impulses Lines for the Solar Units
- » Calibration of Pressure Transmitter / Flow Transmitters of DFM (Daniel Flow Computer Units).
- » Troubleshooting on the DFM.
- » Solar Flow plus System Grounding Procedure.
- » Start-up DFM.
- » Capacity and Discrepancy Test. after sales services.

# Main Products and Services

## 1) OFFTAS is authorized Sales & Services & agent of Dynamic Flow Computers, Inc./USA

It has over 20 years of experience in the low computer manufacturing and design. [www.dynamicflowcomputers.com](http://www.dynamicflowcomputers.com) Dynamic flow computers are designed to operate in various fields such as petrochemical and refining, wellhead, liquid pipeline and storage, and gas pipeline and gathering. Our products are also compatible with orifice, Venturi, V-Cone, Wedge, ultrasonic, PD Meter, flow nozzle and turbine meters.

OFFTAS supplies Dynamic Flow Computer Units with complete services i.e. Installation, Configuration, Calibration, Commissioning of the System and Supply of Spare Parts.

Dynamic Flow Computers		
Applications	Products	Standards
<ul style="list-style-type: none"><li>» Well Head Measurement</li><li>» Custody Measurement</li><li>» Compressor Stations</li><li>» Field Mounted Trending</li></ul>	<ul style="list-style-type: none"><li>» Natural Gas</li><li>» Steam</li><li>» Industrial Gases</li><li>» Crude</li><li>» Refined Product</li><li>» Ethylene</li><li>» Propylene</li><li>» NGL</li></ul>	<ul style="list-style-type: none"><li>» API</li><li>» ISO</li><li>» AGA 8</li><li>» NBS</li><li>» IUPAC</li></ul>

## 2) Instrumentation Valves and Fittings:

We are able to capitalize on our long expertise to provide petroleum, petrochemicals, power generation and heavy industries sectors by services and range of products includes and not limited to:

- » Tube Fittings
- » Pipe Fittings
- » PTFE Fittings
- » Valves:
  - Diaphragm Valves
  - Bellows Valves
  - Needle Valves
  - Ball Valves
  - Check Valves
  - Manifolds Valves
  - Filters

### 3) Drilling equipment:

For onshore and offshore drilling, well servicing and production applications, we can deliver safe, reliable and durable products that meet the rigorous requirements of this demanding industry.

### 4) Chemicals:

As an official certified agent we are able to give you quick, better local service, discounted prices, less administrative and financial complications. The products include and not limited to:

- » Calcium Chloride
- » Calcium Bromide
- » Magnesium Chloride
- » Xanthan Gum
- » Sodium Chloride
- » Sodium Bromide
- » Zinc Bromide
- » Soda Carbonate

### 5) Telecommunication and IT Services

Through a dedicated and skilled professional and international alliance with major manufacturer and software developer, offtas is providing high-tech Telecommunication and IT services in the following fields

#### **3G Connectivity Solutions**

- » Fleet Management System
- » Internet Availability in Remote Locations
- » Phone Availability in Remote Locations
- » Video Surveillance

#### **Fiber Optic Solutions**

- » Fiber Optic Equipment Supply
- » Fiber Optic Network Analysis & Design
- » Fiber Optic Installation
- » Fiber Optic Splicing
- » Fiber Optic Testing & Maintenance

#### **Call Center Solutions**

- » Infrastructure Design & Implementation
- » Customer Relationship Management System
- » Return on Investment Analysis
- » Call Center Maintenance & Support

## **Wireless Connectivity Solutions**

- » Point to Point Connectivity (P2P)
- » Point to Multipoint Connectivity (P2M)
- » VSAT Connectivity
- » Radio Frequency (RF) Design & implementation

## **IP Telephony & VoIP Solutions**

- » Telephone Network Analysis & Design
- » Analog to IP Phone Transformation
- » Fax Management Solutions
- » Unified Communication System
- » Local Number Portability

## **Networking Solutions**

- » Network Analysis, Design & implementation
- » Internet Optimization Solution
- » WAN Acceleration Solutions
- » Private VPN Implementation
- » 3G VPN Bonding
- » MPLS & MPLS Replacement Solutions

## **Virtualization**

- » Virtualization Planning & Implementation
- » Cluster Environment Configuration
- » Capacity Planning
- » Virtualization Consultancy
- » Licensing

## **Information Security Solutions**

- » Information Security Implementation
- » Honeypot Solutions
- » Firewall IPS / IDS Implementation
- » Symantec

## **Data Storage Solutions**

- » Storage Area Network (SAN) Implementation
- » Network Area Storage (NAS) Implementation
- » Data Back up & Replication Services
- » Data Migration & Transformation Services
- » Data Archiving Services

## Software Solutions

- » ERP / CRM Implementations
- » Document Management System
- » Content Management System
- » Customized Application Development
- » Application Migration Services
- » Application Management Services
- » Application Testing Services
- » Research & Development Services
- » Graphics & Presentation Development
- » Website Development
- » Software Project Management

## 6) Emerson Processmanagement

Through a dedicated and skilled professional and international alliance with major manufacturer and software developer, offtas is providing high-tech Telecommunication and IT services in the following fields

### Measurement and Analytical

- » CSI Technologies
- » Daniel Measurement & Control
- » Mobrey Measurement
- » Micro Motion
- » Remote Automation Solutions
- » Rosemount
- » Rosemount Analytical
- » Rosemount Tank Gauging

### Valves and Final Control

- » Fisher Valves & Instruments
- » Baumann
- » Regulator Technologies
  - » Fisher Regulators
  - » Francel
  - » Tartarini
  - » TESCO
- » Valve Automation
  - » Bettis
  - » Dantorque
  - » EIM
  - » El-O-Matic
  - » FieldQ
  - » Hytork
  - » Shafer

## Systems and Software

- » Process Systems & Solutions
  - » DeltaV Automation System
  - » DeltaV SIS Process Safety System
  - » Syncade Operations Management
- » Power & Water Solutions
- » Asset Optimization
  - » AMS Suite: Asset Portal
  - » AMS Suite: Intelligent Device Manager
  - » AMS Suite: Machinery Health Manager

## Services

- » Asset Optimization Services
  - » Electrical Reliability Services
  - » High Voltage Maintenance
  - » Instrument & Valve Services
  - » Machinery Health Management
  - » PlantWeb Services for Asset Optimization
- » Educational Services
- » Process Automation Services
- » Wireless Services

## **Some of Jobs HAD BEEN Performed by OFFTAS**

- » Complete design and assembling of DFC (Dynamic Flow Computers) for SAUDI ARAMCO water injection wells. More than 200 of Solar Micro MV units have been installed in the field.
- » Closely work with Dynamic Fluid Measurement to enhance the software to suit ARAMCO application. Also enhance the software to perform Injectivity Index test (II test).
- » Conduct application, operation and maintenance training sessions to SAUDI ARAMCO engineers, operation and maintenance technicians.
- » Provide services to KJO (Khafji Joint Operations) for Solar Micro MV on pipeline and water injection wells. Also, design assembling Solar E-Chart units.
- » Conduct training session to Sui Gas in Pakistan.
- » Provide the spare parts requirements and prepare the defective units.
- » Provide Preventive Maintenance program to SAUDI ARAMCO
- » Provide consultation to Abdullah Hashim Group (AHG) for Oxygen application in custody measurements and control.
- » Provide application upgrade to Saudi Electric Company (SCECO) in Jouf power plant.
- » Configure and commission the flow meter designed for Marafiq (Power and Water Utility Company in Jubail and Yanbu) which was designed to measure the volume of pumped gas from Aramco Perri Plant to Marafiq in Jubail.
- » Supervise commissioning and configuration of an ELITE - Flow Computer for Daleel Petroleum Company / Oman.
- » Supply skilled candidates to potential costumer in Saudi Araibia

# REGULAR & TARGETED MAIN CUSTOMERS

- » SAUDI ARABIAN OIL COMPANY (ARAMCO).
- » SAUDI ARABIAN BASIC INDUSTRIES CORPORATION (SABIC).
- » ROYAL COMMISSION JUBAIL / YANBU.
- » SAUDI WATER CONVERSION COMPANY.
- » SAUDI ARABIAN MINING CO. (MA'ADEN).
- » SAUDI ELECTRICITY COMPANY.
- » WATER DESALINATION PLANTS.
- » CEMENT PLANTS.
- » SAUDI TELECOMMUNICATION (STC).
- » TRANSPORTATION SECTOR.
- » POWER GENERATION SECTOR.
- » SAUDI CHEVRON PETROCHEMICALS
- » ARAMCO SHELL REFINERY (SASREF)
- » KHAFJI JOINT OPERATIONS
- » SALINEWATER CONVERSION CORPORATION (SWCC)
- » MARAFIQ
- » SAUDI INTERNATIONAL PETROCHEMICAL COMPANY (SIPCHEM).
- » RABIGH REFINING & PETROCHEMICAL CO.
- » KING FAHD UNIVERSITY EASTERN PROVINCE.
- » KING FAISAL UNIVERSITY.

## MAIN SOURCES OF SUPPLY

COMPANY NAME	MAIN PRODUCTS & ACTIVITIES	COUNTRY OF ORIGIN
DYNAMIC FLOW COMPUTERS, INC.	FLOW COMPUTERS MANUFACTURING AND DESIGN.	U.S.A.
UN Uni-Lok	INSTRUMENTATION VALVES & FITTINGS	KOREA
SAER ELETTROPOMPE	PUMPS, SUBMERSIBLE, INDUSTRIAL	ITALY
CONDUCTIX WAMPFLER	ENERGY TRANSMISSION & MATERIAL HANDLING EQUIPMENT	FRANCE, GERMANY
TYCO	VALVES	FRANCE, ITALY
WESCOSA	ELECTRICAL TRANSFORMERS& SWITCHGEARS	K.S.A.
Le Las	Provide solutions to the problems of communications in the most difficult environments such as: TELEPHONY. Intercom network2/100 stations, RECORDER TESTING. SIGNALING DEVICES,REMOTE DISPLAYS , AUTRES and others	FRANCE
CROSTAR SAS	PROCESS PUMPS, HYDROCARBON TURBINES, EXPANDERS, LNG CENTRIFUGAL COMPRESSORS, GAS HEATERS	FRANCE
CRYOMECH AG	CRYOGENIC PUMPS FOR LIQUID GASES, VAPORIZERS, PISTON PUMPS	SWITZERLAND
GOULDS PUMPS	S/S & COMMERCIAL SUBMERSIBLE, DEWATERING, SEWAGE PUMPS	
UNITED STATES STEEL CORPORATION	ALL TYPES OF STEEL SHEETS, TUBULAR, TIN PRODUCTS	U.S.A.

FESTO	SERVO, PNEUMATIC, VACUUM, SENSORS, CONNECTORS,	U.S.A.
LOHER	LOW, MEDIUM, HIGH VOLTAGE MOTORS, AND SPECIAL	GERMANY
IODS	CORROSION RESISTANT ALLOY WELD CLAD	SCOTLAND
SCHULZ	STAINLESS STEEL HIGH GRADES PIPES, FITTINGS AND	GERMANY
PROMATE	COMPUTERS, HARDWARE, SOFTWARE,	U.A.E.
WOM	WORLDWIDE OILFIELD MACHINES, WELLHEAD	U.S.A.
IGRONIC SYSTEMS	MOTOR CONTROL SYSTEMS, HIGH, MEDIUM AND LOW VOLTAGE SWITCH GEARS, DESIGN, ENGINEERING AND	U.K.
TRIAC SERVICES LTD	SPEED DRIVES INDUSTRIAL VALVES AND BATTERIES	U.K.
CREDIT CHEMICALS	CHEMICALS	CHINA
JATROPHA FIGRO	IRON ORE AND BAUXITE	INDIA

When you need the professional work  
PLEASE DO NOT HESITATE TO CONTACT US
